Accommodation in Bremen

We would be pleased to arrange for your accommodation (which has to be paid directly at the Seamen's Home/hotel). We highly recommend accommodation (for both men and women) at the **Seamen's Home**, which is located at 10 minutes walking distance to the city centre. There are public transport facilities (tram), so that you can easily get to BEGO. The hosts of this nice and low priced pension are used to welcoming visitors from foreign countries and do their best to satisfy them. As the reception is closed during the nights, on the first day check-in has to be made until 10 pm!
